19th Sunday in Ordinary Time—B

God offers his people abundant life, but we can miss it. What is the bread of life which Jesus offers? It is first of all the life of God himself - life which sustains us not only now in this age but also in the age to come. The Rabbis said that the generation in the wilderness have no part in the life to come. In the Book of Numbers it is recorded that the people who refused to brave the dangers of the promised land were condemned to wander in the wilderness until they died. The Rabbis believed that the father who missed the promised land also missed the life to come. God sustained the Israelites in the wilderness with manna from heaven. This bread foreshadowed the true heavenly bread which Jesus would offer his followers.

Jesus is the "bread of life." Jesus makes a claim only God can make: He is the true bread of heaven that can satisfy the deepest hunger we experience. The manna from heaven prefigured the superabundance of the unique bread of the Eucharist or Lord's Supper which Jesus gave to his disciples on the eve of his sacrifice. The manna in the wilderness sustained the Israelites on their journey to the Promised Land. It could not produce eternal life for the Israelites. The bread which Jesus offers his disciples sustains us not only on our journey to the heavenly paradise, it gives us the abundant supernatural life of God which sustains us for all eternity.

MALTA HOUSE – HOPE FOR LIFE

Our Community Outreach program is an opportunity for us to support low-income Moms throughout Fairfield county. We need your help to spread the love by creating care packages with diapers, wipes and other donations we can offer. We also have many families that do not have a vehicle to collect the items they need for this we will need transporters to help deliver their care packages. And for those that love to organize we need our support throughout the week to help maintain the donation room. For interested volunteers opportunities, please visit <https://www.maltahouse.org/volunteer#volunteer-form>
