The Thirty Third Sunday in Ordinary Time

The day of the Lord's return will be unlike any other moment in time, history, and destiny for the human race and our place in God's creation. Then the "stars of heaven will fall and all will be shaken" before the presence of the Lord when he comes. Then the peoples of the earth and their rulers will know who is the true King and Ruler over all.

Jesus' first coming was a rescue mission - to free the human race from slavery to sin and Satan - the father of lies. His second coming will be the final completion of his mission when he will "make all things new" - a new heavens and a new earth - after he has put down the last enemy which is death and restores our lowly bodies to immortality when death will be no more (Daniel 12:2-3).

What lesson does the Lord Jesus want us to learn from the parable of the budding fig tree? The fig tree was a common and important source of food for the Jews. It bore fruit twice a year, in the autumn and in the early spring. This parable foretells the joy of God's kingdom - the joy of new life and the promise of a new age of peace and blessing. The signs of spring are evident for all who can see. Just so are the signs of God's kingdom. The "budding" of God's kingdom begins first in the hearts of those who are receptive to God's word. Those who trust in God's word will bear the fruits of his kingdom.

- Don Schwager
