3rd Sunday in Ordinary Time

The "good news" of Jesus brings new life and freedom The word "gospel" literally means "good news." The Gospel is the Good News of Jesus Christ and the new life and freedom he has won for us through his atoning death on the cross for our sins and his resurrection to everlasting life and glory with the Father in heaven. The Gospel is the all-powerful and all-merciful word of God for us today as much as it was for the people who first heard it in Jesus' time. It's a life-giving word that has supernatural power to change, transform, and bring freedom and healing to those who accept it as the living word of God. Are you hungry for God's word of truth and mercy, love and forgiveness? And do you want to grow in the knowledge of God and what he has accomplished for us through his Son, Jesus Christ?

-Don Schwager

Please pray for the sick of our Parish.

Please pray also for the
deceased members of our Parish, especially

The compensation for this full-time position is a combination of salary and commission and includes benefits. Candidates should have sales experience in financial, insurance, medical, education, or similar fields. This could be a good second career opportunity for a retiree or someone returning to work after the pandemic.

Office Administrator

Similar to a parish administrator, this position handles the office paperwork, scheduling, interment forms, and funeral home contacts. Current office and computer systems skills are necessary and it is a full-time salaried position with benefits.

Field Worker

**From the Bishop of Bridgeport
Pandemic-related safety protocols**

Given the absence of a state mandate that requires the wearing of a mask at indoor gatherings, I ask that you continue to follow all local guidelines regarding this question and other pandemic-related safety protocols, as we have done since the beginning of the pandemic. Further, in general terms, the Diocese of Bridgeport is strongly recommending that people wear masks while attending Mass in interest of protecting others during the Covid surge.

If anyone feels ill, shows symptoms associated with Covid infection or has serious health issues, they should remain home to protect themselves and their families. I expect that this ongoing surge will continue for the coming weeks. If you have any further questions, please do not hesitate to contact us.
