**The cancer of sin is healed by
Christ's merciful love**

Paul the Apostle tells us, "For the wages of sin is death, but the free gift of God is eternal life in Christ Jesus our Lord" (Romans 6:23). The Lord Jesus died for our sins to bring us abundant new life in his Spirit and to restore our nature in the true image and likeness of God. The cancer of sin shows us the ugliness of greed, hatred, and envy which destroy the very core of our being and rob us of life and love. That is why evil infects the world which God created out of his boundless love and goodness. God did not create evil and suffering, but through suffering he conquers evil with goodness, truth, and mercy and righteousness.

That is why Jesus gave his disciples a new commandment and way of love - not a commandment that replaces the Old Covenant commandment to love one's neighbor as oneself. This new commandment transforms the old commandment with the love and mercy which the Lord Jesus poured out for us on the Cross of Calvary. There death was defeated, and sin was covered with merciful love and forgiveness, and Satan's power was crushed through Godly meekness and obedience. Jesus proved that love is stronger than death. That is how we overcome the world and conquer our enemies - Satan, who is the father of lies and a murderer from the beginning, the world which stands in opposition to God, and our own sinful pride and fear of death.
