**If a Single Question Worked for Henry Ford...Why Not Your Marriage?**

In 1908, Henry Ford asked himself a single question, "How can I make an auto that even my own employees can purchase?" That year an auto cost his employees three year's salary. By 1918 that single question led to the assembly line and an auto that cost his employees three months' salary. That single question made Ford a huge fortune and millions purchased autos.

So Why not Your Marriage? Learn how a single question a day can help you love and enjoy your spouse more for a lifetime---starting immediately.

## **CONGRATULATIONS TO OUR FIRST COMMUNION CHILDREN**

I want to express my gratitude and appreciation to the teachers who prepared our children for First Holy Communion: Kathy Wiegand and Anne Burns (22 children of Grade 2) and Carole Wiemer (12 Children of Grade 3 to 5). Their hard work and commitment was evident on the faces of these kids and their parents and families.

May God Bless you all!
