If a Single Question Worked for Henry Ford...Why Not Your Marriage?

In 1908, Henry Ford asked himself a single question, "How can I make an auto that even my own employees can purchase?" That year an auto cost his employees three year's salary. By 1918 that single question led to the assembly line and an auto that cost his employees three months' salary. That single question made Ford a huge fortune and millions purchased autos.

So Why not Your Marriage? Learn how a single question a day can help you love and enjoy your spouse more for a lifetime---starting immediately.

Sacred Heart Parish congratulates and welcomes Daniel Michael Alley Valerie Colin and Delaney Isabella Toth Baptized into God's family on May 28, 2023
