

****Youth Ministry Newsletter - November 2025****

This fall has been a vibrant and busy season for our teens! They dedicated time volunteering at the Neighbor to Neighbor food pantry, giving three hours to support those in need. Through this, our teens experienced firsthand the impact they are making in the lives of others—a truly rewarding experience.

We also had wonderful participation in our Parish's annual Angel Tree project, with many teens pitching in to sort food for the Thanksgiving Food Drive. The festive spirit was alive as our teens helped decorate the school hall for Christmas. Additionally, several dedicated teens volunteered their time for the Christmas Pageant, adding joy and meaning to our celebration.

Last but not least, we had our monthly Youth Mass and Rosary, a special time for spiritual growth and community.

If you have any teens who would like to be part of this meaningful ministry, we would love to welcome them! We are especially hoping some of our 8th graders will consider joining us.

God Bless!

Three of our teens attended Emmaus 88 at All Saints School for a two-night retreat, which was a life-changing experience for them. We are hopeful that more teens will have the opportunity to attend future Emmaus retreats. Stay tuned!
